

DA-WM2050 INSTALLATION MANUAL

This manual is intended for users of the DA-WM2050 wall mounting bracket. It includes instructions for mounting the DA-WM2050 wall mounting bracket to a wall.

- **This bracket is intended to be used with a specific model of camera. Do not use it with other models of cameras except for those approved by the dealer or distributor.**
- **This installation should be performed by a qualified service personnel in conformance to all local codes.**
- **You may need to reinforce the wall. If the wall is not strong enough to support the camera, the camera may fall.**
- **Do not use this product for other purposes.**

Mounting

Mount the bracket to the wall as follows:

- 1 Mount bracket 1 to the wall by using the provided anchors and screws.
- 2 Insert cables from external devices, network and power adapter through the hole in bracket 1 and the rear of bracket 2.
- 3 Screw bracket 2 to bracket 1.
- 4 Assemble bracke 3, which is purchased separately, into bracket 2 and fix it by using the screws.

Dimensions

Unit: mm (inch)
